

See you soon at Chiltern Open Air Museum!

- You are coming to see us on your school trip!
- You will have lots of fun at our Museum.
- Our Museum is a large area of grass and trees with lots of old buildings.

- You will see lots of old houses and an old farmyard.
- Our buildings have all been taken down from somewhere else and put back together, piece by piece, rather like doing a jigsaw puzzle!

- You will be able to go inside the buildings and see lots of things that people used in the past.
 - Don't be afraid to ask people questions about the things that you see and do.
- You will take part in lots of different activities.
 - You will be walking around the Museum all day so remember to wear your trainers or welly boots.
 - If it is very hot and sunny don't forget to bring a sun hat and an extra drink.
 - If it is cold and wet don't forget to bring something warm to wear and a waterproof coat.
