

## Amersham Prefab

Mr. and Mrs. **Brandt** lived here after World War II had ended.

Tick here when you have seen their photographs.

In the evening they listen to the wireless and play games.

Tick here when you have seen the wireless and games.

When it gets dark they turn on the **electric lights** to light the house.

Ask your teacher to turn the lights on.

After World War II, food, material and other items were rationed.

Tick here when you have seen the ration books.

Draw part of the prefab or an object inside the house below:

Mr. Brandt worked hard in the garden and stored all his tools in an old **Anderson Shelter** in the back garden. These were made to be bomb shelters during World War II.

In the garden are herbs, vegetables and fruit trees. Mrs. Brandt would use these for **cooking**.

Tick here when you have looked at the garden.
