

## Amersham Prefab

Mr. and Mrs. Brandt lived here after World War II had ended.

Tick here when you have seen their photographs.

Mrs. Brandt used an electric cooker to cook all the food.

Tick here when you have seen the cooker.

Their children played games around the house.

Tick here when you have seen the toys.

When it got dark they used to turn on the electric lights.

Ask your teacher to turn the lights on.

Draw part of the prefab or an object inside the house below:
