

# Celtic settler: Inside the Iron Age house

## 1 Living in the house

Carefully go inside the Iron Age house.

Do you notice any windows?  
Is it easy to see in here?

Find the walls of the house  
and touch them.

Can you find the fireplace?

What do they feel like?

What do you think it would  
have been used for?

What materials do you think they are  
made out of? Circle your answers below.

brick

animal poo

mud

clay

concrete

straw

Find the oven.

What do you think would  
have been cooked in here?

## Keeping warm

How would the Celts have kept warm?

Can you see any clues around the house?

Draw one below.

How many people do you think would have lived here?

## The Romans in Britain

The Romans invaded Britain in AD 43.

When they came to Britain they found the Celts living here.

We have information about the Celts and the Romans living in Britain. How do we know about how they lived?
