### 1 The stable

Find the traditional farm.

A boy named Jack lived on this farm in the olden days. Jack lived in a time called the Victorian period.

Hello I'm Jack

Find the stable.

Can you find the light in here that Jack had?  
Draw a picture of it below.

Why do you think the glass is there?

What do you think the stable was used for?

How would Jack have seen in here?

### 2 The cart

Find one of the carts around the farmyard.

What would Jack have used this cart for? How would this cart have moved?

Do we still use carts today?

## Milking time

Go inside the cattle byre.

Jack would have milked cows in here.

How would Jack have carried the milk?

Can you find an object in the building that gives you a clue?

What does the object look like?  
Draw the object below.

Imagine the buckets are full of milk. Do you think it would be heavy for Jack to carry?

With an adult helper you can very carefully try on the object. What did it feel like?

## Jack and the farm

Find a place to stand in the farmyard and close your eyes.

What do you think life was like for Jack on the farm?

How is your life different to Jack's?
