

What can you discover in the Toll House garden?

Can you find the toilet?
Is your toilet like this?

Can you see any plants growing?
Are there any flowers?
What do you think the other plants were used for?

Can you find the clock?
What do you notice about the numbers?

Can you find the part of the Toll House that looks like a castle?

Can you find the little glass cover in the back garden?
What do you think this is used for?
Do you use something in your garden like this?

I wonder...

Why does the front of the Toll House look so grand when the back of the Toll House looks very ordinary?

Some of the plants in the Toll House garden were used for making medicine. Can you find any herbs or plants that have a special smell? Remember to be careful with the plants as they are precious.
