

1 Around the house

The Celts lived in Britain over 2,000 years ago.

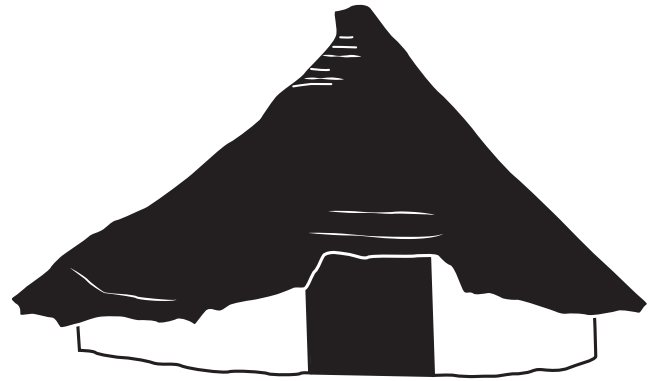

Go down to the Iron Age house.

Look around the outside.

Can you see the fence around the house?

What do you think it is made out of?

Where would the material have come from?

Draw a part of the fence below.

Can you see the small ditch running around the house?

Why do you think it is there?

The roof

Look at the outside of the house.

What do you think the roof is made out of?

What shape is the roof?

Large empty rectangular box for drawing or writing.

The Romans in Britain

Step back from the house.

Imagine you are a Roman coming to England.

What would you think if you saw a house like this?

Would the Romans have lived in a house like this?
