

# Anglo Saxon Brooch Instructions

**1. Cut out a piece of cardboard into a round disc and cover it with silver foil.**

**2. Using a pencil or a wooden stylus gently apply pressure to the disc to draw both a horizontal and vertical line dividing the disc into four equal parts.**

**3. Again gently apply pressure to the disc to create a repeating pattern in each segment.**

**4. Once you have completed your design you may choose to find or create a jewel to stick it in the centre of your disc.**

**5. Finally place your initials on the back of your disc.**
